PROJECTS

Doctor Search Website   2021

HTML, CSS, Javascript, PHP

Developed a doctor search website for Ranchi city, featuring top-rated doctors' list and appointment booking. Simplified doctor selection and streamlined appointment management for improved user experience. Designed a user-friendly interface for easy navigation and accessibility. Created a secure login system to restrict access to the appointment booking feature.

Ayush's Portfolio Website   2023

HTML, CSS, Javascript, PHP

Created a portfolio website with dynamic features including resume download, seamless navigation to GitHub, a comprehensive showcase of projects, detailed education and internship history, and convenient contact options.
